

## **COUNSELLING AND EDUCATIONAL PSYCHOLOGY MA PROGRAMME AT EÖTVÖS LORÁND UNIVERSITY**

The MA Programme in Counselling and Educational Psychology is offered at the Eötvös Loránd University in Budapest is an intensive programme of studies with a special emphasis on psychological counselling. The programme stresses skills training and field preparation and is designed to thoroughly equip students with the necessary knowledge to be effective professionals in the realm of:

- educational (school),
- family-, crisis counselling,
- and career guidance.

### **RESEARCH GROUPS AND WORKSHOPS**

- Differential psychology and group testing methodology
- Learning in school environment research team
- Teachers' career socialization research team
- Counselling Center (life, mental health and career advice)
- Qualitative psychology research group

### **ABOUT ELTE**

With a growing reputation for research and innovation, Eötvös Loránd University (ELTE - the longest continuously serving university of Hungary), offers its diverse student population high quality education and research, building upon the best European traditions. The mission of ELTE is to preserve and enrich national and universal culture, to cultivate science and to pass on academic knowledge.

### **THE COUNSELLING AND EDUCATIONAL PSYCHOLOGY MA PROGRAMME IS INTENDED FOR:**

- the student who wants a thorough grounding in the science and art of psychology,
- the person already employed in counselling who needs higher level training to advance,
- the person in associated fields who desires a lateral change into educational, family, crisis counselling and career guidance psychology.
